Objectives of the Conference

The aim of this conference is to bring together the academicians, researchers, scientists, engineers, technocrats, students and industry professionals from various institutions, universities, and industries to share their research ideas, innovations and research findings. This Conference expands its coverage in the specified areas where expert talks and paper presentations will be held to inspire the young researchers and keep them motivated. The key objectives of the Conference are:

- To present the latest research and results of experimental work related to Computer Science and Information Technology.

- To endow opportunities for delegates to exchange new ideas and application experiences to explore and share innovative work carried out by individuals.

- To address the real-world challenges and opportunities faced by today's IT professionals.

- To promote high level of interaction among stakeholders in theoretical, experimental and applied concepts in the field of computing.

About the Institute

Established in 1999, the Institute of Innovation in Technology and Management is a key component of the IITM Group of Institutions. AFFILIATED TO GGSIPU, NAAC Grade 'A', ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified, A Grade by GNCTD, A Grade by SFRC. The institute aims to excel in providing value-based quality education in advanced professional studies related to Information Technology and Management. With a dedicated and research-oriented faculty, it focuses on developing highly skilled individuals for industry, academia, and business. The institute fosters student transformation through quality education, co-curricular activities, and exposure, creating a conducive environment for producing technically proficient, socially conscious, and confident leaders of tomorrow.

About the Conference

The conference organizers are thrilled to announce ICIRCSIT' 2024 - 1st International Conference on Innovative Research in Computer Science and Information Technology, set to take place on 27th April 2024 in a hybrid mode. Machine learing and intelligence serves as a gathering point for researchers, practitioners, and enthusiasts to delve into the latest advancements, challenges, and opportunities in the realms of machine learning and intelligent computing. Cloud computing serves as a platform to delve into the latest trends, innovations, challenges, and opportunities in cloud computing, with a focus on unveiling the future of this dynamic field. The conference brings together experts, practitioners, and thought leaders from the fields of networking and cybersecurity to explore the intricate relationship between these two domains.All the latest technologies in AT are also welcome.

ICIRCSIT'2024

INTERNATIONAL CONFERENCE ON

INNOVATIVE RESEARCH IN COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

### (VIKSIT BHARAT: INNOVATION FOR BRILLIANCE THROUGH IT)

in collaboration with

The IoT Academy

The IoT Academy
Connecting The Unconnected

IN HYBRID MODE ON
27th April, 2024

CALL FOR PAPERS

We invite authors to submit their manuscript aligned with any one of the following tracks:

TRACK #1 : Machine Learning & Intelligent Computing

TRACK #2 : Cloud Computing & IoT

TRACK #3 : Networking & Cyber Security

TRACK #4 : Latest IT Trends

Last Date for Manuscript Submission	**10th March,2024**
Acceptance / Rejection Notification (First Review Cycle to Final Decision)	**18th March,2024**
Submission of camera ready copy	**25th March, 2024**
Last date for Registration	**08th April, 2024**

REGISTRATION FEE

Scholars / PG Students:	*1500*
Academicians/R&D Institutions:	*2000*
Delegates from Industries:	*3000*

PAPER SUBMISSION DETAILS

- All full paper submissions will be peer reviewed and evaluated based on originality, technicality, research content or depth, correctness, relevance to conference and contributions towards research community.
- All accepted and registered papers shall be published in the conference proceedings with ISBN number and will be made available to all the registered participants after the conference.
- Selected papers would be published in peer-reviewed journal IITM journal of Information Technology ISSN No. 2395-5457
- In case of multiple authors, at least one author of the accepted paper has to register for paper presentation.
- Only the registered author(s) will get the certificate of presentation.

Conference Email -

All Papers should be mailed to us at : icircsit@iitmjp.ac.in

Website - For more details, visit the college website : http://www.iitmjp.ac.in

SUBMISSION GUIDELINES

- Paper should have an abstract of about 200 words including the purpose, methodology, major findings of the research and the keywords(3 to 6).
- The title page of manuscript must include the title of the manuscript, name(s) of author(s) including the corresponding author, affiliations and email for correspondence.
- APA 7 style of referencing for citation should be followed to maintain uniformity.
- Full paper must be typed in MS Word in Times New Roman with font size 12 and 1.15-line spacing. All pages of the paper shall be numbered. The paper must not have been publishedor accepted for publication elsewhere. An undertaking to this effect should appear in the cover letter/email.
- Plagiarism score shouldbe less than 20%.
- All Papers should be mailed to us at: icircsit@iitmjp.ac.in

Chief Patrons	Sh. Ravi Sharma
Patron	Prof. (Dr.) Monika Kulshrestha
Programme Chair	Prof. (Dr.) Geetali Banerji
Convener	Dr. Madhu Chauhan Dr. Narinder Kaur
Co-Conveners	Ms. Kanika Bhalla Ms. Sushma Malik Ms. Vandana Dabass
