STUDENT SATISFACTION SURVEY

(2020-21)

The student satisfaction survey (SSS) is conducted through a Google Form in order to assess the student's satisfaction on the following parameters:

- Teaching methodology
- Coverage of Practical Aspects
- Learning environment of the classroom
- Functioning of Clubs and Committees
- Co-curricular and Extra-curricular activities
- Career Goals, etc.

The questions are indicative of the respective performance and the requisite analysis obtained is self-explanatory.

The objective of the Student Satisfaction Survey is:

- To know the holistic view about the satisfaction level of the pass-out students of each programme on the basis of mentioned defined parameters.
- To evaluate the success and weak spots of the programme functioning.
- To ascertain any concern for any specific learning environment
- To determine the response to the applicability, implementation and execution of different activities organized by Clubs and Committees.
- To invite suggestions for further improvement measures so as to bring holistic improvement in the requisite areas.
