

### **7.3 Institutional Distinctiveness**

The Institute endeavours to achieve its perspective plans by providing value and outcome based education for the holistic development of the students, creating industry ready and socially responsible professionals.

To solve the purpose, pre-placement cell consisting of placement officer, programme directors, faculty experts and student placement coordinators, is responsible for making the students placement ready.

The cell analyses the placement trends and the selection criteria used by various companies visited the institute in last 4-5 years and discusses it in the meeting with programme directors and subject experts.

The programme directors of respective year make strategies to be implemented in different semesters to make the students ready for the placement. In the first and second year, presentation is given by all the students on the contemporary issues of all subjects to improve the communication skills of the students.

In the second year, a placement orientation session is conducted for the students and their placement consent is obtained through a well-designed placement consent form.

In final year, the pre-placement classes are embedded in the time table of the students wherein students are prepared as per the Job Descriptions of various companies along with Group discussion sessions and Aptitude Test sessions.

**Institute of Innovation in Technology & Management**
