Mock Interviews

Throughout the 2022-23 academic year, our institution facilitated a series of meticulously designed mock interviews, **totaling over 35**. These sessions aimed to fortify students' professional aptitude. Led by dedicated faculty, these simulations provided a platform for students to refine their interviewing skills and gain confidence. Personalized feedback and tailored guidance were integral, ensuring individual growth and readiness for real-world recruitment processes.

These mock interviews, a cornerstone of our holistic education approach, offered firsthand insights into diverse interview formats, equipping students with essential tools for success beyond academic excellence. They stand as a testament to our commitment to preparing students comprehensively for the competitive professional landscape.

Prof. (Dr.) Monika Kulshreshtha
Director
Institute of Innovation in Technology
& Management, New Delhi

Role Play

At our institute, role-playing exercises are ingrained within subjects like Marketing, Entrepreneurial Development, Business Laws, Human Resource Management, Project Management, and across diverse disciplines, offering students immersive experiences mirroring real-world scenarios. These simulations cultivate decision-making, strategic thinking, and communication skills, vital in professional settings. From business simulations to historical reenactments and legal scenarios, role plays foster creativity and problem-solving. By integrating practical experiences into our academic approach, we equip students with hands-on competencies essential for their future careers. This emphasis on role plays reflects our dedication to holistic education, providing students with an experiential edge that complements traditional classroom teachings, enriching their educational journey **through 19 role plays conducted across both semesters.**

Prof. (Dr.) Monika Kulshreshtha
Director
Institute of Innovation in Technology
& Management, New Delhi

Group Discussion

Group discussions, **totaling over 35 sessions**, are a cornerstone of our curriculum across various academic domains. These forums provide spaces for students to exchange ideas, debate topics, and collaborate, refining their communication, critical thinking, and teamwork abilities. Covering diverse subjects from current affairs to industry trends, these discussions foster a culture of dialogue and mutual learning.

Encouraging active participation, these sessions enable students to articulate thoughts, express opinions, and engage in constructive debates. Our emphasis on group discussions reflects our commitment to nurturing well-rounded individuals equipped with effective communication and decision-making skills essential for their professional journey.

Workshop

Embarking on a journey of skill development, our institute proudly has hosted **7 workshops**, each dedicated to enhancing expertise in diverse fields. These immersive sessions provide invaluable hands-on experiences, focusing on industry-specific tools and techniques. Covering areas such as technology, finance, healthcare, and more, these workshops serve as vibrant arenas for students to interact with industry experts, gaining practical insights beyond traditional learning.

More than educational supplements, these skill-focused workshops serve as dynamic platforms for honing innovation and expertise. They empower students to emerge as adept professionals by nurturing creativity, problem-solving, and adaptability. As pivotal components of our holistic education, these 7 workshops ensure students acquire not only theoretical knowledge but also the practical skills essential for success in today's dynamic professional landscape

Competitions

Throughout the academic year, our institute hosts an array of vibrant competitions that foster creativity, talent, and teamwork among students. These diverse events include 'Tickle Your Brain,' 'Mono Acting,' 'Pictionary,' 'Nukkad Natak,' 'Nach Baliye,' 'Mr. and Ms. Fiesta,' 'Just A Minute,' 'Group Dance,' 'Grafest,' 'Murder Investigation,' 'Solo and Group Singing,' 'Rangoli,' 'Dalal Street,' 'Cooking Without Fire,' 'Ad Mad,' and 'Beatboxing.'

These **16 competitions** provide platforms for students to showcase their skills, express their artistic flair, and collaborate in friendly yet competitive environments. From intellectual challenges to artistic performances and entrepreneurial simulations, these events encourage participation, innovation, and holistic development among our student community.

The institute's commitment to organizing such diverse competitions underscores our belief in nurturing multifaceted individuals, promoting camaraderie, and providing opportunities for students to excel beyond academic realms

CRICKET TRIALS

Notice No : 1423

Date: 4TH NOVEMBER

Timings: 1000hrs TO 1600hrs

Target Audience: BCA BBA BCOM

No. of Participants: 55

Faculty Coordinator : AKHAY KUMAR and KISHAN NIGAM

Student Coordinator : AAMIR KHAN

Institute of Innovation in Technology and Management organized Cricket Trails on 04th Nov, 2022 at Hari Nagar Sports Complex from 10:00 AM to 4:00 PM. Cricket is a bat-and-ball game played between two teams of eleven players on a field at the centre of which is a 22-yard (20-metre) pitch with a wicket at each end, each comprising two bails balanced on three stumps. The batting side scores runs by striking the ball bowled at one of the wickets with the bat and then running between the wickets, while the bowling and fielding side tries to prevent this (by preventing the ball from leaving the field, and getting the ball to either wicket) and dismiss each batter (so they are "out"). Means of dismissal include being bowled, when the ball hits the stumps and dislodges the bails, and by the fielding side either catching the ball after it is hit by the bat, but before it hits the ground, or hitting a wicket with the ball before a batter can cross the crease in front of the wicket. When ten batters have been dismissed, the innings ends and the teams swap roles. The game is adjudicated by two umpires, aided by a third umpire and match referee in international matches.

Rules

- Cricket is played between two teams each made up of eleven players. (Sometime in junior competitions you will find 8 player teams).
- Games comprise of at least one innings where each team will take turns in batting and fielding/bowling.
- The fielding team will have a bowler bowl the ball to the batsman who tries to hit the ball with their bat.

- The fielding team tries to get the batsmen out by...
 - Hitting the wickets with the ball when bowling
 - Catching a batsman's shot on the full
 - Hitting the batsman's leg in front of the wicket (LBW)
 - Or hitting the wickets before the batsmen can run to the other end of the pitch
- The batsmen try to score as many runs as possible before getting out by...
 - Hitting the ball and running between the wickets and making it to the other end before the fielders can hit the wickets with the ball. Each time you run one full length of the pitch it equals 1 run.
 - Hitting the ball to the boundary along the ground is 4 runs.
 - Hitting the ball over the boundary on the full equals 6 runs.
- The fielding team must get 10 batsmen out before they can change over and start batting.
- The aim of the game is to score as many runs as possible before the fielding team takes 10 wickets. The team with the most runs wins.

The list of the all participants and the selected candidates with their details is attached below.
