Name of the Activity	International Conference-Management		
Theme of the Activity	"Revisiting Management and Business Practices in the Dynamic Era,"		
Event in collaboration with	Guru Gobind Singh Indraprastha University		
Activity Date	26-27 May, 2023	No. of Participants	200

The Institute of Innovation in Technology & Management orchestrated an esteemed international conference centered around the theme "Revisiting Management and Business Practices in the Dynamic Era," which took place on the 26th and 27th of May 2023. The primary objective of this conference was

AFFILIATED TO GGSIPU, NAAC Grade 'A', ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified, A Grade by GNCTD, A Grade by SFRC

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

Day 1: 26th May 2023

The conference day began with the registration process. Participants eagerly arrived, ready to engage in a day filled with knowledge sharing and insightful discussions. The registration desk efficiently managed the influx of attendees, ensuring a smooth and organized process.

Following the registration, the much-anticipated inaugural session commenced. The atmosphere was filled with anticipation and enthusiasm as distinguished guests, industry experts, scholars, and delegates gathered to inaugurate this momentous event.

The conference commenced with an esteemed inaugural session, commencing with the ceremonial lighting of the lamp and a heartfelt Saraswati Vandana, symbolizing the invocation of divine blessings for the success of the event. Professor (Dr. Renu Sharma, HOD, Management), representing the Institute of Innovation in Technology & Management, delivered a warm and gracious welcome speech, extending sincere greetings to the esteemed guests and dignitaries in attendance.

The conference showcased a distinguished lineup of speakers, each possessing deep insights and expertise in various aspects of management and business practices.

- **Dr. Namita Sahay**, a respected Professor at Amity University Noida, graced the conference as the esteemed Guest of Honor. In her enlightening address, Dr. Sahay skillfully shed light on the inherent challenges and opportunities encountered in the dynamic era of management. She emphasized the essentiality of adaptive strategies and innovative practices to not only survive but thrive amidst the ever-changing business landscape.
- Another distinguished speaker, **Dr. Renu Mishra**, an Assistant Professor at Gulf American Company, captivated the audience with her captivating keynote address. Dr. Mishra provided invaluable insights into the evolving landscape of management practices within the dynamic era. Delving into the influential roles of technology, globalization, and cultural dynamics, she emphasized the imperative of staying ahead of the curve in this ever-changing environment.
- Furthermore, **Dr. Sandeep Poddar**, Deputy Vice Chancellor at Lincoln University, delivered a compelling keynote address that shed light on the shifting paradigms of business practices. Dr. Poddar's discourse centered around strategic leadership, innovation, and the urgent need for organizations to swiftly adapt to the rapidly evolving marketplace.
- Adding to the roster of distinguished speakers, the conference was graced by the esteemed presence of **Dr. Pankaj Gupta**, the Director of the Department of Management at Jamia Millia Islamia, who served as the Chief Guest. Dr. Gupta generously shared his extensive knowledge on contemporary management practices, emphasizing the paramount importance of agility, resilience, and ethical leadership in effectively navigating the dynamic era.

The first day of this remarkable conference concluded with a heartfelt vote of thanks, delivered by Dr. Priyanka Indoria. Dr. Indoria expressed sincere gratitude to all the speakers, participants, and members of the organizing committee, acknowledging their invaluable contributions and active engagement throughout the event.

AFFILIATED TO GGSIPU, NAAC Grade 'A', ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified, A Grade by GNCTD, A Grade by SFRC

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

AFFILIATED TO GGSIPU, NAAC Grade 'A', ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified, A Grade by GNCTD, A Grade by SFRC

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

Day 2:

encouraged the researcher to broaden the scope of her inquiry and graciously shared his own erudite paper to provide further guidance and inspiration.

Moreover, several erudite students presented their illuminating papers on cutting-edge topics, including "New Social Media Marketing Trends" and "Influencer Marketing." Their exemplary efforts were met with resounding appreciation from the chairperson, who, in his benevolence, offered insightful guidance regarding research design, ensuring their scholarly journey flourished.

Throughout the enthralling session, the chairperson adeptly facilitated a seamless and harmonious flow, deftly addressing the researchers' queries and ensuring an environment conducive to intellectual exploration and scholarly enlightenment.

AFFILIATED TO GGSIPU, NAAC Grade 'A', ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified, A Grade by GNCTD, A Grade by SFRC

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

The session proved to be highly informative and enriching as Prof. Dr. Anil Kumar Goyal provided valuable feedback and suggestions on each topic, guiding the researchers towards future directions in their respective fields. This constructive input from the session chair contributed to the overall success and significance of the conference for all participants.

In conclusion, the second day of the conference, conducted seamlessly in the online mode, proved to be an invaluable and enriching experience. It offered a diverse range of insights, fostered thought-provoking discussions, and provided ample opportunities for networking and knowledge-sharing. The conference wholeheartedly accomplished its objective of exploring and reevaluating management and business practices in the dynamic era, leaving the participants equipped with a treasure trove of information and inspiration to navigate the ever-evolving landscape of their respective fields.

Guest Speaker: Mr. Gaurav Barhodiya

Name of the Activity Guest lecture

Theme of the

Activity

Sustainable Urban Development and Biodiversity

Conservation

Activity Date 28-04-23 No. of Participants

The session was very informative for the students as well as faculty as the speaker discussed about the importance of biodiversity in cities and the problem caused by urbanization. The speaker also laid emphasis on the importance of honey bees, butterflies, and others animals in nature. Biodiversity or biological diversity is variety and variability of life on earth. Biodiversity is essential for the processes that support all life on earth including humans. Without a wide range of animals and plants, we cannot have healthy ecosystem as it provides us with numerous resources like food, water air and clothing. Today everyone is running towards modernization and are ignoring everything around them hence ruining the environment. In urban cities people have problems of anxiety stress and depression because they donot spend enough time in nature. Spending time in nature makes us feel happy and positive. With increase in population and urbanization, the environment is neglected, there is an urgent need to move towards sustainable development. Not spending enough time with nature also leads to short life span of human beings. Not only this, animals in cities are also play an important to maintain the biological balance in nature, animals such as snakes, butterflies, fireflies and even bees help the environment. Thus, it is only with mutual co-existence that we can have a balanced environment. Further the speaker shared his experience and ideas for sustainable development and encouraged students to join his organization 'BRUNT' to volunteer for nature walks and making the city more sustainable. Students were quite inspired to know new things as the speaker was involved in research on snakes which fascinated them. On the whole, it was quite an interactive and informative session for students.

Kartik, Yogi , Lakshit

The World Ozone Day is celebrated every year on 16th September commemorating the date on which Montreal Protocol on substances that Deplete the Ozone Layer was signed in 1987. The Day is observed with the objective of creating awareness regarding importance of Ozone Layer and India's commitment to the Montreal Protocol to phase out Ozone Depleting Substances (ODS). As part of the celebration of the Day the NSS cell 5 organized a poster making competition to spread awareness about Ozone depletion and its impact. The themes given were:

- Climate change
- Ozone depletion and Human Life
- Ozone depletion and Animal Life
- Ozone layer depletion and effect on Flora
- Save the Ozone and Earth
- Ways to preserve the Ozone layer (Ideas and Possible solutions)

About 19 entries were received and the winners were issued certificates.

Notice No.: 1364A

Date: June 27, 2022

Resource Person: Mr. Rohit Pahwa, Mr. Ranu Mishra, ShapemySkills

Target Audience: BCA Second Year Students.

Event Coordinator: Dr. Geetali Banerji, Dr. Ankit Verma

Institute Of Innovation In Technology And Management had organized Seminar on “**Python and Project idea on Advance Java**” for BCA second year students on June 27, 2022.

Dr. Ankit Verma, welcome and introduced the trainer to the students. Mr. Rohit Pahwa, ShapemySkills started with the interaction asking the various information regarding types of languages. The languages students had already studied. After that he discuss about the application of Python in Industry. He also discusses about the basic syntax of Python and tried to explain the simplicity of Python language by demonstrating the actual execution of python instructions. Mr. Rohit Pahwa handled each questions patiently. Mr. Ranu Mishra, ShapemySkills, discussed about importance of java in Industry and also about some of the real applications. The students were very satisfied with the seminar.

Resource Person: Grievance Redressal Committee Members

Target Audience: BCA, BBA and Bcom(H.) First Year Students

Event Coordinator: Dr. Geetali Banerji, Mr. Arun Kumar Uttam

Institute Of Innovation In Technology And Management had organized one week Seminar on “Mental Health (कह के तो देखो)” for BCA, BBA and Bcom(H.) First Year Students from July 18, 2022 to July 23, 2022.

Dr. Geetali Banerji and Mr. Arun Kumar Uttam along with the Student Representative visited every class for the entire week and discussed about the importance of sound mental health and how to overcome some of the mental issues by simply opening up and speaking. Student representatives discussed their own success stories about various types of mental issues faced by them during lockdown and how they were able to combat the same. They also shared about some of the incidents which happened recently where the person could not share his issues and attempted suicide. The students were told about the various NGO's where the students can approach and share their issues without disclosing their identities. The Mental Health week was a success. A number of students came forward and talk about their issues and felt light.

BRIJAN – THE ENTREPRENEURSHIP DEVELOPMENT CLUB

EVENT

Whether being an entrepreneur is a viable option over a 9 - 5 job?

Notice No :1355

Date: June 11, 2022

Timings: 10:30 am

Target Audience: First year students

No. of Participants: 200

Faculty Coordinator: Ms. Annu Aggarwal

Student Coordinator: Aditya Kapoor and Parnika Oberoi

The seminar gave students some crucial insights regarding what it takes to become an entrepreneur. In the words of our esteemed speaker, it's better to start working early towards our goals. Even entrepreneurs have to work 9-5. Entrepreneurship is a high-risk job with no job security and it is extremely beneficial to know some useful topics such as Government Policies and Investment Registration. You can be a successful entrepreneur even without formal education but what's important is constant growth and making the best out of your situation. To educate and foster young minds about entrepreneurship, personal growth and corporate life. Participants were given a peek into the day-to-day happenings of corporate life, entrepreneurship and whether it's a viable option over the typical 9-5 job.

PLEDGE AGAINST DRUG ABUSE

Notice No:1365

Date: 27/06/2022

Target Audience: Students, Faculty, Staff Members

Number of Participants - 148

Faculty Coordinator: Ms. Neha Gulati, Dr. Nitya Khurana, Mr. Rahul Anand

Dayitva, the CSR club of Institute of Innovation in Technology and Management took an initiative in accordance with the mandate of Delhi Government which suggest that the young generation shall be informed about the Drug's harmful effects and thereby everyone shall say no to drugs.

As part of spreading the awareness against the ill effects of drugs among students, in co-ordination with Narcotic Control Bureau (NCB), Government of India has uploaded an e-pledge titled "Say Yes to Life, No to drugs".

All the students and faculty members were motivated to take the online pledge and download the certificate for the same. In total 148 students and faculty members took the pledge.

Date: 1st to 6th Aug, 2022.

Notice: 1377A

Target Audience: Management Faculty

No. of Participants: 22

Faculty Coordinator: Dr. Renu Sharma

The Institute of Innovation in Technology and Management organized a one-week Faculty Development Programme on “Emerging Trends & Pedagogy for Higher Education” from 1st August to 6th August, 2022.”

Day 1: Inaugural Session

The first session was started with the address of the chief guest Dr Huda. He introduced the theme of the session and talked about the bottom line principles of Education 4.0 (domain knowledge, team work skill, good and positive communication, do it with excellence and life-long learning) and changing role of teachers in the present scenario. He explained the use of Bloom’s taxonomy to convert our classroom into a flip class room. He highlighted the features of National education policy and the concept of Academic Bank of Credit. He emphasized the role of teachers in developing the higher order thinking skills among students through projects, case study and assignments. At the end of the session, he addressed the queries of the participants.

**AFFILIATED TO GGSIPU, NAAC Grade ‘A’, ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018 Certified,

One Week Faculty Development Program on Power BI Data Analyst Associate

Notice No 1484

Date: May 8, 2023 – May 12, 2023

Timings: 9:30AM – 1:30PM

Resource Person: Mr. Raghvendra Singh, Technical Trainer, ICT Academy

Target Audience: Faculty Members from various colleges

Faculty Coordinator: Ms. Kishori Radhey, Dr. Geetali Banerji

Institute of Innovation In Technology And Management organized One Week Faculty development Program on Power BI Data Analyst Associate in collaboration with ICT Academy from May 8, 2023 – May 12, 2023.

Mr. Raghvendra Singh, Technical Trainer, ICT Academy started his discussion with the introduction to Power BI, its application followed by demonstrating the installation process. He further elaborated various concepts of Power BI that are relevant and used practically in the industry like Data Visualization and Data Analytics.

During one week FDP everyone was able to understand the various operations in data view, model view and report view. It was a great learning experience for all the attendees.

Marketing Maestros- the marketing club of Institute of Innovation in Technology and Management organized a “Graphic Designing with Adobe Photoshop” on June 13, 2022. It was conducted in collaboration with the renowned MAAC Animation Institute to guide the students regarding graphic-designing. The aim of the workshop was to opportunity to enhance the skill set of the students of B. B. A and B.COM. (H) First year students by providing them exposure to Photoshop skills. The students were given hands on practice exposure and were provided individual computer systems in the computer lab.

During the event, the head manager of the MAAC institute gave a brief to the students on the importance of having relevant skills in the respective industries and also talked about the relevance of graphic design skills in everyday life. The workshop entitled the students by giving examples of news channels using graphic design for their backgrounds and also mentioned popular games using it for developing an interactive gaming experience.

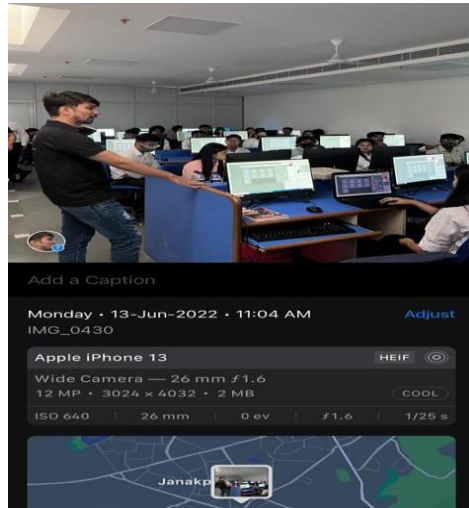

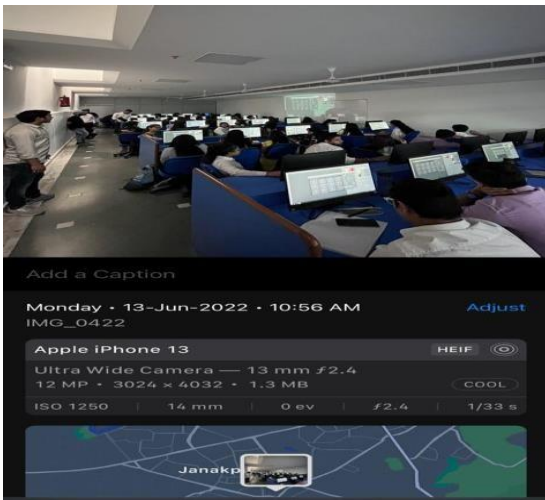

**AFFILIATED TO GGSIPU, NAAC Grade ‘A’, ISO 14001:2015, 17020:2012, 21001:2018 & 50001:2018

The coordinators of MAAC institute also gave the students an in-depth knowledge about Adobe Photoshop, reason of using graphic designing, difference between a vector and a raster and then explained the importance of details in a poster that plays a major role in making the poster attractive.

During the workshop, students were taught the basic elements of Adobe Photoshop and were asked to create a poster by themselves under the guidance of the MAAC team. All the created posters using their creativity and enjoyed the whole journey of turning a blank sheet into a creative and beautiful design with the help of the MAAC team. After the workshop, students were given a query handling session wherein their queries pertaining to any attribute of MAAC institute were handled. In all, 51 students attended the training programme and were given e-certificates for same.

WORKSHOP ON NATIONAL ACADEMIC DEPOSITORY

Ref. No.: IITM (JP)/LETTER/2023/3474

Date: March 14, 2023

Timings: 10:00 AM – 4:40 PM

Target Audience: Director, Dean, and Faculty members from GGSIPU affiliated colleges and colleges from Delhi and NCR Region

Resource person: Mrs. Mamta Rani, Advisor – I, AICTE, Sh. Tejas P. Joshi, Secretary, UGC, Mr. Prakash Pandey, Manager, (NAD) NeGD, AICTE/UGC

Faculty Coordinator: Sh. Raju Nair, COE-I, GGSIPU, Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC), GGSIPU

Guru Govind Singh Indraprastha University had organized one day **National Workshop on National Academic Depository** to make the faculty members familiar about NAD/ABC portal so that they can educate the students about the benefits of ABC and also help in registration process.

The event started with lamp lighting by Mrs. Mamta Rani, Advisor – I, AICTE, Sh. Tejas P. Joshi, Secretary, UGC, Mr. Prakash Pandey, Manager, (NAD) NeGD, AICTE/UGC, Sh. Vivek Sachdeva, Member (NEP), GGSIPU, Prof. C. S. Rai, Director Academic Affair, Sh. Raju Nair, COE-I, GGSIPU and Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC), GGSIPU. The welcome address was given by Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC) who brief the audience about the objective of the workshop.

Sh. Vivek Sachdeva, Member (NEP), GGSIPU focused on four years UG programme with Multiple entry and multiple exit, where the fourth year will deal with the research work. He said that the maximum span to complete UG Programme is seven years. He discussed about how credits can be transferred from one university to another university and also about the challenges in front of the Universities for implementing the same.

Mrs. Mamta Rani, Advisor – I, AICTE, talked about how various colleges can sign up MOU among themselves and to allow the students to migrate from one college to another college after completing 60% major from Parent College and 40% minor from some other college.

Sh. Tejas P. Joshi, Secretary, UGC shared the story of Arjun from the Mahabharata that how he gained knowledge from various Gurus, where each guru can represent an University in today's

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

The FDP focussed on enhancing both Intellectual and Technical skill of the Faculty members. The speaker for the 1st session focussed on the importance of positive and honest thinking. She suggested not to start the day by reading pessimistic and negative thoughts carrying messages. She suggested to manage the thought process and not be bring negativity and mistrust around oneself.

The 2nd session speakers introduced the software recently used for Bibliometric analysis: Biblioshiny and VOS viewer. The experts guided the faculty starting from the installation of the software, to importing the data, and using the software for analysis of the data base.

Both the sessions were information and practise based. The 2nd session focussed on Hand on Experience with the software

PHOENIX WEEK

(For 1st year students)

Notice no. 1331

Date: 25th April to 29th April, 2023

Timings: 8.30 a.m. – 11.30 a.m.

Target audience – 1st year [B.com(hons.), BBA, BCA]

Phoenix week was conducted for all the first-year students of B.com(hons.), BBA and BCA.

The main aim for this initiative was to make them aware about the basic requirements and the necessities for them to be competent enough when they reach the stage of internships and placements. All the students were expected to be presentable and brushed up as they are all set to sit for a very crucial part of their life; the placements.

The following areas were pitched in the phoenix week:

- Vedic Maths
Various time saving tips and tricks were taught using Vedic Maths to be used while the students sit for entrance exams.
- Logical aptitude
Logical reasoning is one of the most scoring areas in any of the entrance exams. Students were taught time saving short tricks to crack the most questions within no time.
- Spoken English
One of the most important parts of one's life – fluent spoken English was enhanced by a JAM (just a minute).
- Stock market
In today's world, investment in stock market is very crucial as it is one of the fastest sources of income. Students were given introduction about the basic terminologies.
- Placement
The placement coordinator told the students that there are various rounds altogether in the hiring process. Some of the major rounds are- entrance test followed by a group discussion round followed by a personal interview round.
- Presentation skills
For college students, it is very important to have certain etiquettes while they are presenting to an audience. Former were told to the students in detail.

Hence, it was an interactive and learning session for the students. It helped students to get awakened of the development of the soft skills, presentation skills and technical skills

WORKSHOP ON NATIONAL ACADEMIC DEPOSITORY

Ref. No.: IITM (JP)/LETTER/2023/3474

Date: March 14, 2023

Timings: 10:00 AM – 4:40 PM

Target Audience: Director, Dean, and Faculty members from GGSIPU affiliated colleges and colleges from Delhi and NCR Region

Resource person: Mrs. Mamta Rani, Advisor – I, AICTE, Sh. Tejas P. Joshi, Secretary, UGC, Mr. Prakash Pandey, Manager, (NAD) NeGD, AICTE/UGC

Faculty Coordinator: Sh. Raju Nair, COE-I, GGSIPU, Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC), GGSIPU

Guru Govind Singh Indraprastha University had organized one day **National Workshop on National Academic Depository** to make the faculty members familiar about NAD/ABC portal so that they can educate the students about the benefits of ABC and also help in registration process.

The event started with lamp lighting by Mrs. Mamta Rani, Advisor – I, AICTE, Sh. Tejas P. Joshi, Secretary, UGC, Mr. Prakash Pandey, Manager, (NAD) NeGD, AICTE/UGC, Sh. Vivek Sachdeva, Member (NEP), GGSIPU, Prof. C. S. Rai, Director Academic Affair, Sh. Raju Nair, COE-I, GGSIPU and Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC), GGSIPU. The welcome address was given by Dr. S. L. Bhandarkar, COE-II, Nodal officer (NAD & ABC) who brief the audience about the objective of the workshop.

Sh. Vivek Sachdeva, Member (NEP), GGSIPU focused on four years UG programme with Multiple entry and multiple exit, where the fourth year will deal with the research work. He said that the maximum span to complete UG Programme is seven years. He discussed about how credits can be transferred from one university to another university and also about the challenges in front of the Universities for implementing the same.

Mrs. Mamta Rani, Advisor – I, AICTE, talked about how various colleges can sign up MOU among themselves and to allow the students to migrate from one college to another college after completing 60% major from Parent College and 40% minor from some other college.

Sh. Tejas P. Joshi, Secretary, UGC shared the story of Arjun from the Mahabharata that how he gained knowledge from various Gurus, where each guru can represent an University in today's

Summer Training (Python Language)

Notice No: 1366

Period : 12/07/2022 To 04/08/2022

Timings: 2:30-4:30 pm

Target Audience: Students

Students Participated -60

Trainer: Mr. Rahul V. Anand

The IT Department of **Institute of Innovation in Technology and Management** organized the Summer Training Program(Python Language) from 12 July 2022 To 03 August 2022. The Summer Training Program(Python Language) from 12 July 2022 To 03 August 2022. The training sessions were attended by 60 students of BCA department of 2020-2023 batch.

The Objectives of this training program were:

- Demonstrate knowledge of basic programming constructs in python.
- Illustrates string handling methods and user defined functions in python
- Applying data structures primitives like List, Dictionary and Tuples.
- Inspects file handling and object- oriented programming techniques.
- To understand the concept of Reusability.

Syllabus for Training Program:

Module-I

No. of Hours: 06

Basic Introduction: Origin, Need of Python Programming, Features, program structure, identifiers, escape sequences, IDLE-Python Interpreter

Python Programming Introduction: Operators: Relational, Logical, Bitwise, comparison operator etc. Variables and assignment statements, Keywords.

Control Structures: if-conditional statements, if-else condition, if-elif-else condition, nested if-elif-else condition, Iteration (Loop and while statements), Nested Loops, break, continue and pass statements.

D-27/28, Institutional Area, Janakpuri, New Delhi-110058

Module–II

No. of Hours: 06

Mutable and Immutable objects:

List: List operations, functions-append, extend, count, remove, index, pop, insert, sort, reverse.

Tuples: Tuple operations, functions- tuple, count, index.

Dictionary: Dictionary operations, functions- get, update, copy. Deletion in dictionary.

Module –III

No. of Hours: 06

Concept of Functions: Functions: Defining, Calling and Types of Functions, Arguments and Return Values, Formal vs. Actual Arguments, Scope and Lifetime, Keyword Arguments, Default Arguments, Recursion.

Modules: importing Modules, Math and Random Module, Packages and Composition

File handling: Types of Files (Text file, Binary Files, CSV files), Creation, writing, appending, Insertion, deletion, updating, modification of Data in into the files. Exception Handling.

Module –IV

No. of Hours: 06

Object Oriented Programming: Classes, Objects, Date Class, Attributes and Methods, Access Specifiers, Constructors, Static Methods, Data Hiding, Encapsulation, inheritance, Composition, Polymorphism, , Abstract Classes.

NumPy Library: introduction to NumPy, Creation of One-Dimensional Arrays, Reshaping of an Array, Element-wise Operations, Aggregate Operations, Array Indexing, Array Slicing, Insert Row/Columns, Append Row/Columns, Array Manipulation Operations, Multi-Dimensional Arrays.

"Lifeskills" Program by Barclays

We are pleased to inform you that the college is organizing the Skill Development program in association with Rubicon under the CSR activity of Barclays for all courses of 2021- 2024 Batch.

Rubicon was inception with a dream of a world where every youth has the power to transform lives for themselves and others around them. They strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. Rubicon's "Lifeskills" Program, supported by Barclays aims at improving the employability skills of the youth. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly to increase their chance of succeeding in a job interview. This program is being launched with limited no of colleges in India.

In Life Skills training, they will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interview.

“Microsoft Philanthropy”, a three weeks value-added training program on “*Cyber Siksha*” was conducted in collaboration with ICT Academy. Throughout the course, students were exposed to different aspects of cyber security, such as malware, phishing, social engineering, and many other related topics. The training was conducted in two stages. Stage-I was conducted by internal faculties (Mr. Tapan Kumar & Ms. Kishori Radhey) for the first week and stage II was conducted by the trainer (Mr. Amit Kotnala) from ICT Academy for the next two weeks. A total of 60 students from the BCA final year were shortlisted and trained in the program. The practical examples and case studies covered in the program were very informative and helped students to understand the real-life implications of cyber security and cybercrime.

Date: 29th August, 2022
IPU/Notice/1299

Notice – IITM (JP)-

Target Audience: Students of BBA and BCom(H)

The Institute organized an Alumni Interaction with Mr. Lakshay Sachdeva, PR Executive, Studio Talk, Mumbai, BBA batch 2014-17 of IINTM. He shared his journey from a BBA student to an event manager, a stand-up comedian and an actor in a web-series “Selection Day”. He talked about the importance of smart work in professional life and the role of co-curricular and extra-curricular activities in shaping the personality of a student. He also highlighted the techniques to boost up the confidence and communication skills. Approximately 565 students of first, second and third year participated and interacted in this programme.

SKILL ENHANCEMENT SERIES - METAMORPHOSIS (SESSION 2.0)

Date: 5th sept, 2022

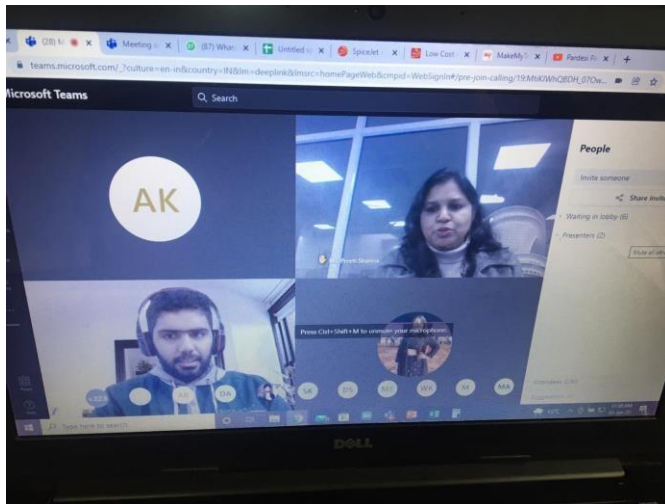

Notice – IITM (JP)-IPU/Notice/1289

Target Audience: I Year Students of BBA & BCom(H)

The Institute initiated a skill enhancement series named “Metamorphosis” with the objective of improving communication skills of the students of BBA and BCom(H) First Year. The second session of the series was conducted by Ms. Preeti Sharma, a Language trainer and motivational speaker, on “Self Introduction” – Personal and Professional. She told the mode of communication – verbal and non-verbal and the type and importance of each mode to students. She elaborated the features of oral communication and told the students to upgrade themselves. She also mentioned the technique of giving formal and informal introduction in the session. Approximately 200 students of BBA and BCom(H) first year have participated and interacted in this programme. It was a great learning experience for the students.

INSTITUTE OF INNOVATION IN TECHNOLOGY & MANAGEMENT

Guest Lecture on “Leadership during the time of Pandemic”

Date: 10th Sept, 2022

Timings: 10.30 am – 11.30 am

Virtual platform: Ms Teams

Resource Person: Dr. Shweta Jha

Target Audience: BBA & B.COM(H)- I year students

Faculty Coordinator: Dr. Priyanka Indoria

Institute of Innovation in Technology & Management organized a guest lecture on “**Leadership during the time of Pandemic**” on 3rd February, 2022 at 10.30 am The objective of the guest lecture was to make students learn and adapt the changes the pandemic has brought not only in our country but throughout the worldwide.

The lecture highlighted an entirely different view of what leadership has become in today's post pandemic period.

The guest lecture was an informative and enlightening lecture.

D-27/28, Institutional Area, Janakpuri, New Delhi–110058

The alumni talk was conducted for the students of BBA & B.COM (HONS.) semester 2nd and 4th. The speaker shared her experience of her college life, her strategies used, her way of coping up with various difficulties and distractions.

Ms. Shivani mainly focused on 3 fields –

1. Academics

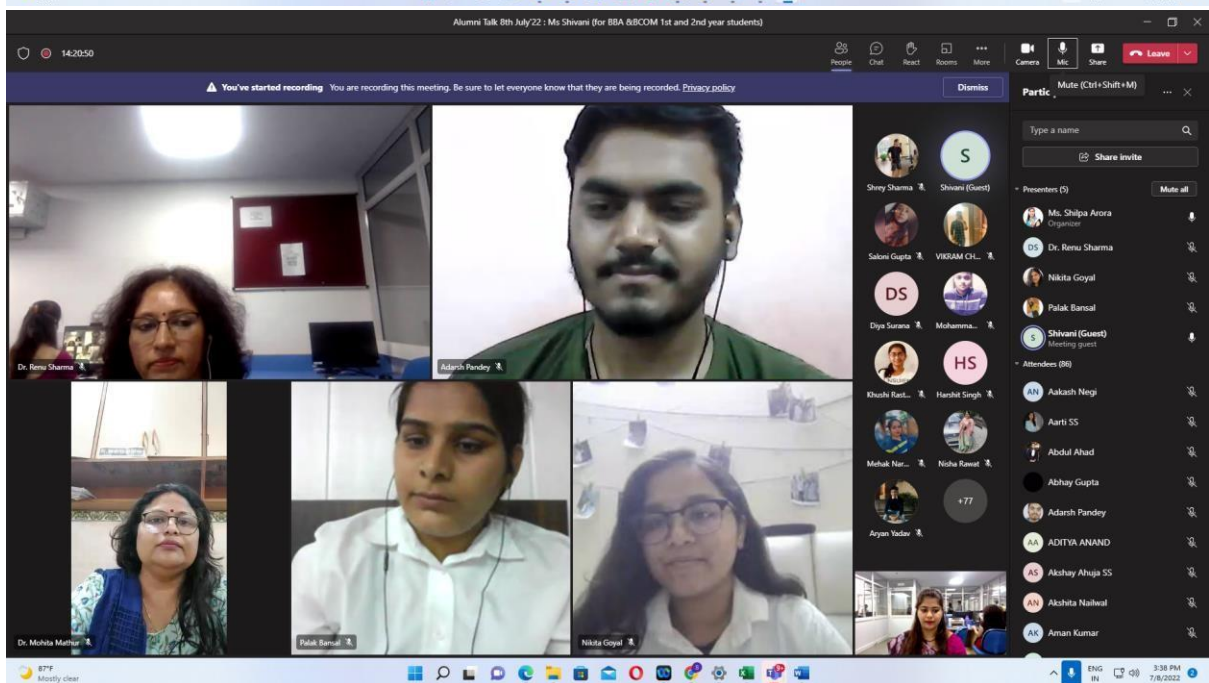

She guided the students to be actively invested in their lectures and academics. That, being interactive and focused in class helps a major while students sit for their placements. She asked the students to be determined throughout in order to an excellent academician.

2. Extracurricular activities

Along with being academically intelligent, the speaker told the students to be active participants in other curricular activities as well. By being helpful and active in various competitions, and cultural activities students will be helping themselves in becoming intellectually aware and gaining experience.

3. Prevalence

Any target cannot be achieved without perseverance and so, the third main aim of the speaker was prevalence. According to her, in order to be outstanding students are supposed to be regular and active throughout the 3 years of college. Attending lectures on regular basis does half of the work as carefully listening also contributes a lot.
