## 14(b) FEEDBACK FROM THE STUDENTS/ALUMNI

### Feedback collected for A.Y(2022-23)

The feedback received indicated a high level of satisfaction with different aspects of institutional functioning and administrative facilitation. All the feedback questions are performing satisfactorily and have scored around 85%. Average satisfaction score of the institution of all the courses is 78%. The report will be placed before the governing council for continuous improvement in the areas where the questions are underperforming than the institutional average.

A dedicated team of faculty members takes feedback of internal and external subject experts including feedback of all course faculties to define/review the course objectives, contents, learning outcomes and assessment tools and put up

  
Prof. (Dr.) Monika Kulshreshtha  
Director  
Institute of Innovation in Technology  
& Management, New Delhi

the recommendations. Feedback from students is also taken through class representative meetings, and corrective measures are taken accordingly to improve the teaching- learning processes. The PTM is organized by the Institute in every semester and Faculty/Mentor tells to parent about the progress of the student and take the feedback from parent also.

The academic & behaviour feedback from the students are analysed and the essential corrective Measures recommended to faculty members. The remarks are likewise shared with department for any corrective measures. 100 % syllabus coverage feedback is likewise gathered from the Individual Subject Teacher.

## STUDENT FEEDBACK FORM

Dear student, This form intends to collect your valuable feedback on the quality of the academic curriculum so that it may be shared with the University Board of studies for necessary actions. A robust curriculum which fulfills the learning needs of the students is essential for making the teaching-learning process meaningful and useful for you. So, kindly fill the form with care.
